SPONSORSHIP PACKAGES

The Ormond Beach Pride is a volunteer, not-for-profit, 501-c3 organization dedicated to enriching the lives of the children in our community through sports. Commitment to our youth is demonstrated by emphasizing values such as academics, sportsmanship, discipline, teamwork, character and a sense of pride for the community we live in. Enduring long beyond their participation in our program, these values will help players and cheerleaders become citizens of whom we can be proud. The program provides boys and girls with a safe structured environment to learn and play football and cheer.

Today, the program continues to have a meaningful and beneficial impact on our community, and more importantly on the youth of Ormond Beach. It would be impossible to do all of this without the support from sponsors, the community, and local businesses, looking to make an impact for good, no matter how big or small.

Uniforms, equipment and insurance are examples of the many costs associated with the operation of a Football and Cheer program. Participants are asked to pay a registration fee to help defray some of these costs. However, our goal is to never turn a child away for lack of financial resources. In order to have a successful season, and help as many children as possible, we need businesses and people within the community to help by sponsoring the Pride organization.

If you are interested in teaming up with us this season and becoming a new sponsor of the Ormond Beach Pride program, or you are a returning sponsor, we encourage you to preview the packages available and let us know which you may be interested in. Every dollar from every sponsorship is put immediately into the Pride program.

Thank you for your support!
